

Identity Sketch

A collage, is created by adding parts together to make a whole just like your identity is created by different things that you find important.

- 1.) What is your favorite food?

- 2.) What are your favorite colors?

- 3.) If you could be any animal, what animal would you be?

- 4.) What pair of shoes would you buy right now?

- 5.) What is your favorite sport? Your favorite sports team? Do you even like sports!?

- 6.) What are some of your favorite movies, books, artists, or songs right now?

- 7.) What do you like doing in your freetime?

- 8.) What is something that you find enjoyable or satisfying that you don't always get to do that you would like to do more often?

- 9.) If you could live anywhere in the world, where would you want to live?

- 10.) If someone gave you \$1,000,000, what would you do with it?

- 11.) What are some careers you might be interested in exploring as an adult?

- 12.) What is your role in your family? i.e. Do you have chores? Are you the oldest sibling?
etc.

- 13.) If you could describe yourself using five words, what would those words be?

- 14.) What is something that you would like others to know about you that you think they
don't?

- 15.) Who is important to you (i.e. father, brother, sister, mentor) and how would they
describe you to someone else?

- 16.) Who are you? What are other aspects of your identity that are important to you that you
wish to express? Are there any other things that define you?
