

## 7th/8th Grade Art PreTest

Name: \_\_\_\_\_

1.) Draw **five** different types of lines below:

2.) Label the primary and secondary colors in order on the color wheel:

3.) Fill in this tint and value bar as best you can:

|  |  |  |  |  |  |
|--|--|--|--|--|--|
|  |  |  |  |  |  |
|--|--|--|--|--|--|

4.) How in art can you use line to imply texture?

5.) List the seven elements of art?

6.) List the seven principles of art?

7.) In your own words, define art:

8.) In your opinion, how can art be used to tell a story?

9.) Find a visual image in this room. Describe that image to me using your best art vocabulary. Your description might include what is going on, what you think about the image, or even whether you like it or not.

10.) Draw a picture including at least three of the following:

|          |            |           |           |
|----------|------------|-----------|-----------|
| A Dragon | Outerspace | A Rainbow | Flowers   |
| Children | Mountains  | Snow      | Pizza     |
| A Llama  | A City     | The Moon  | A Balloon |
